

Current Work – November/December

- Continuation of Demolition Work, floor by floor.
- Extension demolition.
- Continuation of scaffold dismantle.

Upcoming works:

- Continuation of main Demolition works.
- Scaffold dismantling works
- Further mobile crane works to assist demolition.

We will be taking various steps to minimize the impact to Neighbours, including:

- Working hours in line with City of London guidance: 8am – 6pm Monday – Friday.
- Reduced Impact Hours: 10.00 to 12.00 and 14.00 to 16.00.
- All delivered materials will be unloaded within the site area, behind the hoardings.
- Ensuring public areas are kept clear and maintaining access for residents.
- Keeping deliveries to a minimum and using smaller vehicles whenever possible.
- Entrance will have a designated Traffic Marshal to supervise, and ensure the areas are kept clean, safe, and secure. A dedicated on-site team will be available during site hours and 24 hours in the event of a site emergency.

So that you can easily identify our on-site team, and to keep them safe whilst working, they will be wearing orange Hi-Visibility PPE with the John F Hunt Logo, as shown above. Managers and Supervisors will be wearing black hard hats; should you have any enquiries or questions please don't hesitate to ask.
